Make Way For Croquet

Marion's Ever-Popular Summer Activity

By John Atkinson

Croquet in the Olympics? Colleges offering four-year croquet scholarships? Don't be surprised. "Let the games begin" could accommodate croquet very nicely and the University of Massachusetts at one time gave credits in croquet.

We're talking big time, not the ordinary back yard variety. We're talking mallets that cost up to $250, teaching clinics, and a Croquet Hall of Fame (in Newport).

Formally organized croquet clubs are springing up all over the country — 331 at last count. Mecca for them is Palm Beach Gardens, Florida, from which emanates a 24-page quarterly newsletter and the American Croquet Association's book of rules that is the Bible of every club in the United States — including Marion.

Created by the merger of the Sippican Croquet Chowder Society and Marching Band with the Marion Mallet Club, the organization that bears the latter title has 35 playing members and welcomes more.

"Just show up with the $300 initiation fee wearing the required whites and you're in," said Ralph Townley, a winner in June in the Canadian National Doubles Tournament.

He said annual dues were not levied this year but probably will be next year, mainly for maintenance of the two courts on Holmes Street which utilizes land made available by Mrs. John Kendall.

These courts recently were the scene of a fingernail-biting, tension-filled end-of-season tournament from which the partnerships of Ms. Danielle Francis and Albert Poe and Ms. Gwyneth Alexander and William Knapton emerged the winners by one wicket. All of the games were extremely close as players "bonked," "jump shot," and "sent" their balls in the day-long event.

Whereas golf requires skill and strength, croquet requires skill and tactical sense. Mr. Townley calls it a "mind game" in that players should always think at least six moves ahead.

"Croquet players' worst enemy is loss of concentration," Mr. Townley said. "You must remember where you are in the game at all times."

Players attach clips matching the colors of their balls to each upcoming wicket as they progress. One tactic is to keep hitting the ball out of bounds until you get a break to attack the opponents' balls. You can "capture" opponents' balls and keep them close by.

In a way, it's like pool in that you can position your ball to prevent your opponent's ball from passing yours without pushing yours through a wicket (or, as in pool, into a pocket).

The maximum score for a croquet game is 26 points in doubles — with two people getting 13 points each. One point is scored for passage through each wicket, and one point for hitting the winning peg. A game takes from an hour to 90 minutes to play.

The guru of croquet in America and the nation's only bona fide pro, Bob Kroeger of Cambridge, MA, was recently hired by the Marion club to conduct a clinic for its members.

Mrs. Hugh Hencken deserves credit for getting the balls rolling in Marion. Having played the game as a child in England, she piqued the interest of a group of Marion residents and formal croquet was on. Diehards that they are, Marion croquet devotees play until the snow flies.

International croquet took off after the very first World's Fair in 1851 in London, where it had been a popular attraction. It mushroomed in America after the Civil War.

Six members of the Marion Mallet Club maintain carefully manicured courts on their own properties, including Mr. and Mrs. John Kendall. The others are Mr. and Mrs. Davis Gallison, Mrs.

On the cover: *Edward O. Provost Jr. (left) and Ralph Townley, both members of the Marion Mallet Club, plan their next strategic move during a recent round of what has quickly become one of Marion's most popular activities — croquet. (Photo by Kenneth J. Souza).*

Hencken, Mrs. Ann Butler, and Mr. and Mrs. Morgan Plummer. One doesn't have to be a resident of Marion to join.

Current officers of the club are: Ann Butler, president; Albert Poe, vice president; Elyse Leonard, secretary; Tiina Bougas, treasurer; and Violet Eaton and William Moonon, directors. Nancy Kendall is an ex-officio director.

Croquet's a game in which pros and amateurs and men and women all play together. In Marion, they don't play on a regular schedule, like every Tuesday or Thursday, but whenever one of the members rings up other members to match wits on the court.

In Russia, croquet reportedly was used as a therapy for returning cosmonauts and writer Alexander Woollcott reportedly once told friends his doctor absolutely forbade him from playing croquet unless he won.

Let the games begin!

Molly's Cove has officially been opened for the taking of shellfish.

Other correspondence from U.S. Senator John F. Kerry's office stated that Congress had passed a crime bill and explained the significance of some of the provisions.

The board next received a memo from the Commonwealth of Massachusetts' Department of Education explaining Health Insurance Costs for Retired School Employees and proper budgetary compliance.

Finally, the Office of the Attorney General issued an invitation for the Board to attend this year's Municipal Forum to be held on Tuesday, October 4 from 8:00 am to 1:15 pm at the John F. Kennedy Library and Museum in Boston. Featured presentations will include discussion of the ADA Compliance Status, Family and Medical Leave Act, Smoking Policies, and the "Sick Building" Syndrome.

Under the Executive Secretary's report, the board was reminded that Fire Chief Ronald E. Scott needs to know who will be attending the Firefighters I night this Saturday (September 10) at the Knights of Columbus Hall beginning at 6:00 pm. Tickets are $12 per person and are available through Chief Scott.

On Sunday, September 11, the Apple Peach Festival Parade will be held in Acushnet and a vehicle has been arranged to transport attending dignitaries from the town. Members of the Mattapoisett board who will be attending will be notified later in the week as to when and where to meet.

Also this weekend: an Appreciation Day Picnic for retiring Old Hammondtown Principal Bill Reed will be held on Saturday, September 10 from 4:00 to 7:00 pm at Shipyard Park.

In open session, the Selectmen heard an application from Mark M. Koran, doing business as the Mattapoisett Chowder House, to grant permission for a newly-formed corporation (AJN Corporation d/b/a Mattapoisett Chowder House) to add cordials to the wine and beer license currently in effect. The board unanimously voted to approve the request and noted that there would be no additional fee for the rest of this year.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:30 pm.

Marion Selectmen's Meeting

September 6, 1994

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, September 6 at 7:00 pm by Chairman Loretta B. Schaefer. Also present were Selectman Albert E. Winters, Selectman Jonathan "Jody" Dickerson, Executive Secretary Ray E. Pickles, and Secretary Helene Craver.

After approving the minutes of the August 30 meeting and signing and approving Treasury Warrant #10 for the week, the board also signed and approved the State Primary Election warrant.

Under incoming correspondence for the week, Chairman Schaefer noted a letter of appreciation from Mr. and Ms. Robert Sanderson, thanking the town on behalf of Jonathan's Sprouts and St. Gabriel's Church for making Silvershell Beach available for a recent cookout and clamboil held at the site. "Being able to host visitors from various places around the country and overseas ... was a source of great pride for us," they noted in their letter.

The engineering firm of Camp, Dresser & McKee, Inc. (CDM) next sent a copy of their letter to Lawrence Dayian of the state

Study will be completed by November 1; and additional Town Funding for further developments and renovations will be considered at the next Annual Town Meeting on April 24, 1995.

Mr. Pickles noted that funding to implement the Distribution Study has already been approved at the last Town Meeting and a contract will be signed this evening with CDM.

The Rochester Board of Selectmen next sent a reply to the Marion board regarding Parlowtown Road and a gate which has been erected to block off a section of the road. The Rochester board informed their Marion counterparts that if the gate in question is on Mr. and Ms. Tomkiewicz's property, then the Marion board should pursue this matter further on their own.

As the road was formally discontinued by Rochester for maintenance purposes via Town Meeting vote, they no longer have any responsibility or jurisdiction over the property.

"It appears that (Rochester) has abandoned (Parlowtown Road) as a public way," Mr. Pickles said. "Most of what is up there is wetlands ... but it also provides a right of way near the three-town boundary."

advantages of the new program. Chairman Schaefer had mixed feelings about the bill, noting that it will put more police officers on the street for the first year, but will force local cities and towns to pick up the tab after that.

At 7:12 pm, the board opened a Public Hearing on a request from Com/Electric to install underground cables, conduits, and manholes in a section of Front Street across from existing hole #10 (near Tabor Academy). The installation will provide electrical service to a new home in that area.

There being no abutters present for the hearing, Mr. Pickles noted that someone at Tabor Academy had suggested Com/Electric extend the line to a pole further north on the street, and they would be willing to bear the brunt of the additional costs in order to garner service from that location.

Chairman Schaefer asked if the current request could be voted upon with such a stipulation, and Mr. Pickles advised that the board can approve the request and ask Com/Electric to consider running the line further north at Tabor Academy's expense. The request was approved as amended via unanimous vote.

Chairman Schaefer noted that Edwin

"Ted" Pratt had requested serving on the town's newly-formed Education Scholarship Fund Committee, and she felt his knowledge and expertise would be very beneficial to the effort. Fellow board members agreed, and unanimously voted to appoint Mr. Pratt to said position.

Chairman Schaefer also asked if Selectman Winters would like to serve as the board's representative on the Buzzards Bay Action Committee (BBAC). Selectman Winters said he wanted to wait one more week before committing himself and also noted that he had someone else in mind for the job as well.

Mr. Pickles then brought two project contracts from the engineering firm of Camp, Dresser & McKee (CDM) before the board for their signature and approval. The first contract would allow CDM to begin work on the computer Water Distribution Study of the town's system at a cost of $50,000; and also design an Ultraviolet Decomposition System at the town's Wastewater Treatment Facility at a cost of $35,000.

The board approved and signed both contracts via unanimously vote. Both projects and expenditures were approved at the last

Marion resident Dottie Drolett next came before the Selectmen to voice her concerns over the main entrance to the Town House being closed and blocked off by a large boulder bearing the inscription: "Marion Town House." Ms. Drolett had acquired 347 signatures on a petition asking that the boulder be moved away

from the front entrance and the doors be opened for public access. She also noted that for safety reasons, it would be beneficial to open the main entrance.

"As residents of the town, we're suggesting that the rock be moved to the lawn in front of the existing flagpole and flowers be planted around it," Ms. Drolett said. She also stated that most of the people she talked with felt the boulder detracted from the look of the otherwise attractive Town House.

Upon accepting the signed petition, Chairman Schaefer noted that nothing could be promised in the near future. "I can tell you we can't do anything immediately," she said. "The landscaping in front of the Town Hall was done through private donations. If we have the DPW undertake the moving of the boulder, it would also incur some additional costs ... but we'll take this under advisement."

Problems would also arise in opening the

main entrance, as they lead directly into two existing offices, forcing further interior renovations and incurring further expense.

Selectman Winters agreed with Ms. Drolett that the boulder should be moved. "I think the rock with the lettering looks better than it did before," he said, "but I also feel it takes away from the overall appearance of the Town Hall. I think it's an aesthetic issue more than anything else."

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:30 pm.

The board then signed the Dog Warrant for 1994-1995, recognizing the duties of the town's Dog Officer in accordance with state statutes.

The board next approved and signed a proposal to acquire the banking services of the National Bank of Fairhaven for town purposes.

Selectman Hughes then noted that the Todesca Corporation has offered to donate paving work to the town as a "good neighbor gesture." The offer was intended for school playgrounds or recreational sites but, seeing as such sites remain in good condition, the offer can be applied to the repaving and repair of the Town Hall parking lot.

The board voted unanimously to accept Todesca's offer, pending advice from Town Counsel. Selectman Hawkes requested the board advise Town Counsel in order to "cover ourselves" legally.

Police Chief Walter V. Denham informed the board that he had contacted the Massachusetts Highway Department (MHD) regarding Speed Control and Sign Postings for Perry Lane. The MHD advised that because it is not a heavily travelled road, they would not provide funding for a traffic survey.

Chief Denham also stated in his letter to the board: "I was also advised that it is illegal for the town to put up speed control signs (regulation size). However, there is a Non-Regulation speed limit sign at the campgrounds entrance now and if the town wanted to leave this sign up, it would be okay as long as it is not the same regulation size and color as state signs."

The MHD also advised that a sign of a different color and size would be an "unenforceable situation," and suggested the use of other types of warning signs such as "Campground Ahead" or "Slow Children Ahead" to warn motorists.

Letters to the Editor

To the Editor:

The ORR Track Fund Committee would like to provide an update of our efforts on behalf of the local track athletes and the ORR community to raise funds for a new track facility. Ideally, such a facility would be provided by the towns and the local school officials without the need for private fund raising.

But efforts by these officials to provide a new track in the past have continually failed. Each time the track has been included in the plans for school improvements, the towns' citizens have not approved the funds, which would have required some form of tax increase.

The present track athletes, and those of the future in the Mattapoisett Track Club, can no longer wait. Their situation is urgent. The existing facility is unsafe and unusable for official track events and the teams no longer

THINK ADJUSTABLE

The great majority of borrowers today have adjustable rate mortgages (ARMS). There is good reason for their popularity, especially with first time buyers. Adjustable rate mortgages carry a lower initial rate than fixed-rate loans. The ARM is perfect if you plan to own your house for only a few years or if you expect your income to rise enough to cover possible upward rate adjustments.

Buyers can protect themselves from sudden jumps by shopping for ARMS that have rate caps. For example, an ARM might have a two point yearly cap and a five point lifetime cap. Thus, a 30-year ARM with the interest rate of 7% (for example only) could go no higher than 12% over the lifetime of the loan, no more than two points in any one year.

It may take a series of tradeups before you are able to buy the home you really want. Chances are you'll own that first house (which usually isn't the Taj Mahal) for just 3 to 5 years.

Call **Bob** at **Fisher & Rocha, Inc., 758-6738** or stop in at our office at 17 Fairhaven Road, Mattapoisett. **We're here to help!**

have the use of another track on a continual basis. Emergency situations often call for unique solutions, and if we are able to provide the community with a new track, the financial means must be arrived at through a combination of sources.

The ORR Track Fund Committee feels that the private fund raising portion of this effort is critical. The members of the committee, in order to have access to funds that are not available to the public school system through grants from major corporations and federal and state agencies, have officially formed the Old Rochester Track Foundation, Inc. As a charitable, non-profit organization, we are able to apply for grants that the school system may not have access to. Monies raised through private donations, grants, and fund raisers will be turned over to the school system at the time of track construction as needed, and will be used for the sole purpose of track construction and maintenance.

An advisory committee of private citizens and school officials has been established and will oversee the planning and construction of the facility once the funds are available. Work has already begun to establish how extensive the rebuilding will be and the exact cost.

The efforts of the committee so far have raised over $37,000, but perhaps more importantly, have increased the awareness of the public to the desperate need for something to be done to help our local athletes. We are continuing our fund raising efforts and sincerely appreciate all those who have helped so far.

A completed track at ORR High School will likely require private funds, corporate funds, town funds, government funds, and school funds. We all must take the responsibility for providing our youth with what they need to prepare themselves physically and mentally for

the future. The responsibility does not lie with any one group. A project of this size will require support from all these groups to be successful. A true community track facility available for all to use and be proud of will be well worth the effort.

If you would like to help with a donation, the mailing address is: ORR Track Fund, P.O. Box 674, Mattapoisett, MA 02739. Also, please voice your concerns, support and suggestions regarding this project to your local town and school officials.

To the Editor:

Last April, Marion voters overwhelmingly supported the concept of repairing and renovating the Music Hall. Since then, the Music Hall Restoration Committee has been formed and is now busy working on fund raising projects to take care of the most immediate needs, such as a very leaky roof.

Our first effort in fund raising is an auction to be held on Sunday, October 2 from 3:00 to 5:00 pm at the Music Hall. It is for this event that we are looking to you for help. Needed are your donations — such things as use of vacation homes, tickets to professional sporting events, a concert or play or a round of golf at one of the area's courses are among those items which bring great enthusiasm in bidding. You might consider donating a gift certificate to your favorite restaurant, a special bottle of wine, or an elegant plant.

If you have a special interest or talent, perhaps you could share it in some way ... a hand-knit sweater, a catered dinner, or a handmade project from your shop or sewing room. Ideas for donations are limited only by the imagination. There are so many exciting and fun areas to consider; the choice is yours. If, however, you can't think of a single thing, we would welcome cash to purchase gift certificates, items or services to help make the auction exciting and profitable. Checks can be made payable to the Town of Marion, Music Hall Fund.

Please let us know how you can help, whether through a cash donation, a service or an item, by September 15. We are counting on your help to reach our goal of raising $10,000 toward the estimated cost of roof repair.

If you have any questions, need a pick up, or for donation information, please do not hesitate to call Pat Gautreau at 748-0896 or Ann Washburn at 748-0791. Thank you in advance for your consideration.

Sincerely,
Music Hall Restoration Committee
Marion

Government Commodities

A food distribution of government commodities will be held at Sippican School on Thursday, September 8 beginning at 4:00 pm. To be eligible for this free food, participants must qualify for AFDC, Welfare, WIC, Fuel Assistance, Food Stamps, SSI Medicaid, Veterans' Aid, or Assisted Housing. The distribution will be held in the school cafeteria.

Senior Lunch

Marion seniors are invited to enjoy lunch at the Sippican School cafeteria during the school year for only 75 cents. Due to shortage of space, however, the cafeteria can accommodate Marion seniors only.

The Friends of the Elderly

A History of the Friends

The Friends of the Elderly of Mattapoisett originated in 1990 for the purpose of helping to establish a drop-in center in Mattapoisett and do whatever possible to make life easier and more enjoyable for all our seniors.

"The main thing is to keep the elderly busy," said James Joaquin, who was President for 1990 and 1991. "A busy mind is a healthy mind and (that) gives them longevity." During this first year, membership grew from 70 members to 200. Weekly social day activity and craft workshops were established at the Village Court activity room, thanks to the cooperation of the Mattapoisett Housing Authority.

An annual trip to Fenway Park to see the Red Sox with a free box lunch was initiated this year. A box lunch for each senior who attends the annual Paw Sox game, sponsored by the Mattapoisett Lions Club, was also started this year.

During this period, the Friends sponsored Article 40 on the Town Meeting warrant to accept Clause 41C as to the amount of monies a person of age 70 or over may have in order to be eligible for a $500 real estate tax exemption. The Friends defended this article at Town Meeting and it was approved, allowing many more seniors to be eligible for this exemption.

Vivianne Surprenant became President in 1992 and did an excellent job of continuing the fund raising with the able assistance of George C. Avila, who designed ornaments of the Mattapoisett Sea Horse, Ned's Point Lighthouse, and Mattapoisett Center School. Vivianne hoped to build a senior center on property owned by the Mattapoisett Land Trust and communicated with the Executive Office of Communities and Development (EOCD), who advised her that land leased to the Senior Center for a 25- to 30-year period would be acceptable for the Community Block Grant funds. Unfortunately, due to many problems such as lack of parking spaces, a lease agreement did not materialize.

The Friends still sponsor the SHARE food program in Mattapoisett, which was started in 1991. Many thanks to the Mattapoisett School Department and the Mattapoisett Congregational Church for the use of their facilities. This program allows anyone who has $14.50 to receive about $35 worth of fresh fruits and vegetables and frozen meats each month.

Language classes in 1992, and have continued with intermediate and advanced courses as well. In a joint venture with the Mattapoisett Lions Club, books and tapes were purchased for the classes and later donated to the Mattapoisett Library and are now available to all.

In 1993, Virginia Lubker became the Friends' third President and started the Line Dancing program which proved to be very popular among our seniors. This program was started at the Village Court Community Room, but in a matter of weeks the group outgrew the space there. The American Legion Post 280 has generously offered their hall for this purpose.

Ginny Lubker is active in knitting hats and booties for AIDS babies and she encouraged many seniors to get involved in this activity. To date, hundreds of hats and booties have been sent to Boston hospitals.

It would not be possible to provide activities for seniors without the full cooperation of the Mattapoisett Housing Authority, St. Anthony's Church, and the American Legion Post 280. They deserve much of the credit.

The SHARE food program would also not be possible without the help of the Mattapoisett School Department, the Mattapoisett Congregational Church, Mahoney's Building Supply, and Sippican, Inc. of Marion. It is wonderful how everyone has worked together, in the towns of Mattapoisett and Marion, to make things happen.

Last year the Friends of the Elderly donated $500 to the Mattapoisett Congregational Church to be used for handicap bathroom improvements and $500 to St. Anthony's Church to be used for future handicap access.

The Friends will continue their fund raising efforts since monies have been reserved for grant writing fees when the appropriate time arrives to establish a senior center. There are not many towns in our state that do not have a center. All that is required is a small center to take care of the town's needs, and with the cooperation of the Board of Selectmen, Council on Aging, and the entire community, it will happen.

Sippican Choral Society

The Sippican Choral Society will begin their 1994-1995 season with its first regular rehearsal on Monday, September 12 at the Congregational Church Community Center in Marion. New members are welcome to join the chorus simply by coming to one of the first three rehearsals. Rehearsals will begin promptly at 7:30 pm every Monday night.

The chorus will begin rehearsing for its December 4 Christmas concert at Tabor Academy, which will include Haydn's "Missa Brevis in F," as well as a variety of Christmas music for full chorus and small groups. Parking is available in the Marion General Store parking lot on Front Street in the village.

All voices are welcome (soprano, alto, tenor and bass), and tenors are especially encouraged to sing with the chorus this year. As always, everyone who has sung with the chorus in past years will be welcomed back.

For further information about the Sippican Choral Society and their upcoming concerts, please call Barbara Dadagian (748-2911) or Peter McDonald (748-0358) in Marion.

Local Health Center Receives Award

At the annual conference held recently in Seattle, Washington, the Southeastern Massachusetts Area Health Education Center (SMAHEC) in Marion was selected as the best continuing education program in the nation. The National AHEC Center Directors Association chooses from among the 136 AHEC centers throughout the country. The program that was chosen focuses on Perinatal Care.

Upon being interviewed, Dr. Patricia Mc Partland, Director of SMAHEC, stated: "Not only is this a great honor for our agency, Charlton Memorial Hospital and Bristol Community College, but it is a personal honor for me because this recognition comes from my peers."

Dr. Patricia Mc Partland is the Director of the Marion-based SMAHEC, which is a non-profit organization that promotes the education and activities of health professionals and students in the southeastern Massachusetts region. Dr. Mc Partland holds a Bachelor's Degree in Political Science from the University of Missouri, Masters' Degrees in Preventive Medicine and City & Regional Planning from Ohio State University, and a Master's and Doctorate in Adult and Higher Education from Columbia University.

She is the author of a textbook titled *Promoting Health in the Workplace,* along with 32 articles in the field of Health Promotion and has presented 42 lectures and seminars for national and international conferences in Bulgaria, Hong Kong, France, Finland, England, Canada,

pair of one year old siblings who would like to be adopted together if possible. Their owners are moving to Florida and cannot make the trip. The female is a short-haired calico with double paws and the brother is mostly white with black markings. They have been altered and vaccinated.

If you'd like to find out more about the latest animals up for adoption, please call one of the local Animal Umbrella representatives:

- Mary Lou at 994-6168
- Diane at 997-4037
- Priscilla at 758-2896.

From a local private pet owner in Rochester this week we have "Mugsy," a one-year-old neutered and declawed (front) domestic house cat. Mugsy's coat is shiny, short black hair. This male cat needs a good home and loves people. If anyone would like to inquire further about adopting Mugsy, please call Sue at 763-2327 after 5:00 pm, or leave a message.

The Wanderer would like to remind private pet owners that they can use this free space to find a new home for pets they may have to part with due to a change of living arrangements, new babies, or the like. We'll also gladly help you locate any missing pets in Marion, Mattapoisett or Rochester.

Simply write up a full description of the animal and drop it off at our office (55 County Road, Route 6), or mail it to P.O. Box 102, Mattapoisett, MA 02739. *Please note: this is only for those who are giving pets away. Any trades or sales must be placed as a paid advertisement.*

A powerful prayer to the Holy Spirit -
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor. Only your initials shall appear at the bottom. C.S.

Plymouth Bay Girl Scouts

The Girl Scouts are preparing for another troop year of fun and friendship. The Plymouth Bay Girl Scout Council will distribute flyers about the Girl Scout program for Grades K - 6 through the local schools in Marion, Mattapoisett and Rochester during the week of September 12. Girls who are new to Girl Scouting are encouraged to return these flyers to their school. Girl Scout membership dues, which are $6 annually, will be collected at the first troop meeting.

Girl Scouting offers a wide range of activities focused on the needs and interests of girls. Through Girl Scouting's contemporary programs, girls develop self-esteem, make new friends, and become a vital part of their community.

"This year troops throughout the nation will be involved in the national service project, Health and Fitness," said Carolyn Mayo-Brown, Executive Officer of the Plymouth Bay Girl Scout Council. "Around the theme

Golf Tournament to Benefit Tobey

Don't miss the opportunity to play the Kittansett Club Golf Course while supporting Tobey Hospital. Enter now to play the 12th Annual Tobey Hospital Benefit Golf Tournament slated for Monday, September 26 at the picturesque Kittansett Club in Marion.

The Kittansett course is ranked among the top 100 in the nation. Designed by Fredrick Hood, the course opened in 1923. It is a "links" style course, with a layout that depends on the natural features of the land and a constant wind, rather than artificial obstacles, to provide a challenging game of golf.

Co-chairing the event this year are Greg and Nancy Johnson of Marion. Other committee members are Rosemary See, Marjorie Munro, Diane Perkins, Chris Makepeace, Cindy Outhouse, and Sharon Newcomb. Proceeds of the tournament will purchase equipment for the hospital.

Entry forms and sponsorship information is available by calling the hospital Development Office at 291-3717. The popular event is limited to the first 128 entrants and is usually fully-subscribed, so interested golfers are urged to sign up as soon as possible.

The entry fee of $175 per player includes golf cart, greens fees, and an elaborate luncheon buffet with numerous team and individual prizes, including Titleist equipment donated by the Acushnet Company of New Bedford. The tournament is open to both men and women.

Community Blood Drives

Recognizing the ongoing need for blood and blood products in Wareham and surrounding communities, the American Red Cross will join forces with Tobey Hospital to co-sponsor a monthly Blood Drive. The drives will take place from 3:00 to 8:00 pm on September 21, October 19, November 23, and December 21. The drives will be held in the Tobey Community Building on High Street in Wareham.

Please help area patients by scheduling an appointment to donate blood. Blood donations can be made every eight weeks. Remember, blood is not manufactured — the only source for blood is healthy community members.

Appointments are encouraged. To schedule a convenient time, please call 1-800-258-0025, extension 2086. Or for more information, call June Chamillard at the Tobey Hospital Public Relations Office: 291-3716.

Fight the Battle of the Bulge with Bob...

"Thank Goodness for MOLKOSAN® It Helped Me Lose 50 Pounds In 6 Months."

Bob's story is true. Molkosan helped him lose weight where other diet regimens had failed. That's because Molkosan actually helps improve digestion and positively influences the body's metabolism.

Molkosan is natural whey, the nutrition-rich liquid by-product of cheese making. This specially fermented whey promotes the vitality of the body's intestinal flora, the millions of friendly micro-organisms that keep your digestive system functioning properly.

There's no need for a "starvation" diet when you take Molkosan. You can eat regular, healthy meals and still lose weight. Simply take one teaspoonful of Molkosan in a glass of water three times a day, either before or with meals.

So if you've got some extra pounds slowing you down, do what Bob did. Combine Molkosan with healthful eating habits and a mild exercise program. You'll not only take off the unwanted weight, but you'll also feel more energized.
